The Minister Renewal Submission site allows ministers, from districts who have opted to participate, to fill out their minister credential renewal form online and submit it electronically to their District and the National Office. It is designed to save resources for both the National and District offices while creating an easy process for ministers to renew their credentials.

Getting Started – Steps 1-4

There are two options to get started: *Easy Start* and *Sign in with AG Accounts*. Using the *Easy Start* option allows you to enter minimal information and find your minister record.

Signing in with your AG Accounts credentials allows you to skip several steps and automatically identifies you in the system.

If you have an account with AG Accounts, but do not know your information, you can request your login credentials by clicking the *Forgot Password* link on the *Sign in with AG Accounts* page. You will then be sent an email containing a link to change your AG Accounts password. Note: the email address you provide must match the address on file for that AG Account. After you are logged in, you can proceed to Step 5.

Paying Your Dues – Step 5

Once you have verified your email address, you will need to pay any dues you may owe. A message with your current owed dues will be displayed. You will be required to pay any outstanding dues, or late fees owed, for the current year (and previous year, if applicable) in order to continue the renewal process. However, you will not be required to pay monthly amounts for any months that remain in the current year if you are set up for auto deduct in AG Giving. You also have the option of paying dues for the following year if desired.

Note: Do not go to AG Giving to make a payment as this could cause a delay in your dues being posted to your account and prevent you from proceeding in the renewal process. You will need to use the payment process on the renewal site to pay your outstanding dues.

To pay your dues, click *Yes* at the bottom of the *Dues Payment Information* page under *Would you like to submit an online payment to the General Council at this time?* and proceed through the steps.
